BACK-UP POWER
WHEN YOU NEED
IT MOST!

STORMS
HURRICANES
POWER OUTAGES

EASY WAY TO PROTECT HOME OR BUSINESS

**AUTOMATIC
CONVENIENT**

turns on automatically if power goes out
takes up approximately same space as
central air unit outside of home

RELIABLE

conducts regular self test so you are assured
of reliable operation

EFFICIENT

runs on clean, dependable natural gas
connected directly to your gas line. If your
home or business is all electric, all you need
is a natural gas service line.
